# ANAIMUDI HOUSE- REPORT

“Good luck is when opportunity meets preparation,  
while bad luck is when lack of preparation meets reality”.

-Eliyahu Goldratt

The academic year 2016-17 was a memorable one in many aspects for the Anamudians as we look back at the performance of the year with pride and sense of achievement.

Dedicated team work is the pivotal axis around which this house revolves. The whole-hearted dedication of Mr. Villson K. G, House In-Charge and the other house teachers namely Mrs.Suma Satheesh. Carmel Mary, Mrs.Punitha, Mrs. Betsy George, Mrs.Pleema Benoy, Mrs.Pushkala, encouraged us to do our very best for the house. It was the combined effort of the Teachers, the captain Aphsal Saleem and vice-captain Megha Mary Varghese and the enthusiastic students who held the house flag fluttering high at all times.

The house had a promising start with the students putting up their best in the athletic track but we had to satisfy ourselves with second position for the march past and the house stood third in the athletic meet. We also secured the First position in the inter-house dance competition. I would like to thank the inspiring dancers who captured the attention of the audience and honored the house with one of the prestigious trophies of the academic year.

Inter-house music competition was another important moment of the year for the house in green. The singers magnificently captured the heart and soul with the mesmerizing rhythm of the songs selected and I would like to thank every participant of the quiz who tried their mettle in various quizzes and also the way thinking was collaborated and showcased through the wall magazines.

I give my sincere thanks to each and every one for the deep honor and distinct privilege of serving you and the house as your house in charge during 2016-17. we shared our time, talent and our resources. We shared our kindness, our team sprit and ever so rewarding, our love for HRS, our school and each other.

The house shall live in the hope that the coming year would be successful one and will put in their heart and soul and strive to do their best in all activities at school to reach greater heights.     -VILSON K.G

# DEVIMALAI HOUSE-REPORT

**"Alone we can do so little, together we can do so much."**

It was really great being the House-in -charge of the Devimalai House. There have been proud and unforgettable moments in my tenure of the past two years.

The efforts and interest taken by the house captain Radha Krishnan to instill team spirit among the housemates is worth mentioning here.

The Academic session 2016-17 started with the annual sports meet in which high spirited efforts were put by the Devimalians on track. Jilsha.K and Varun.K were the individual champions in the under 19 category. And Breena was the individual champion in the under 16 category.

We bagged 2<sup>nd</sup> in the inter-house dance competition, and won 1<sup>st</sup> in the western dance. In the music arena ,under the western duet and the eastern duet category we bagged the first prize.

The Devimalians won 1<sup>st</sup> position in the inter-house wall magazine competition in the junior's category. It was a proud moment for our house when AISSCE Class XII results were announced. Rinu.T, secured 2<sup>nd</sup> with 96% and Akshaya topped in Business Studies. In AISSE Class X, Abhijith, Milen and Sherin secured CGPA 10.

The prefects –Radha Krishnan (House captain); Sruthi Santhosh (Vice-captain) & the whole group of Devimalians have been a very happy and pleasant body to work with. I would like to take this opportunity to express our gratitude to all the supporting faculties of the Red house - Mrs. Mary Sumi Netto, Mr. M.V.Baiju, Mr. Shins Mathew, Mrs. Punitha, Mrs.Shyni, Mrs Anika Singh and Mrs. Caroline Fernandez who have helped us and backed us up at all times.

This has been a wonderful year and we can truly say that Devimalai has ended in a blaze of glory. I personally would like to thank the whole school for making my tenure as house-in-charge the most outstanding and enjoyable period.
